

Waiting for Santa

Everybody's waiting for Santa.
They're waiting for that jolly old guy.
Everybody's waiting for Santa,
And we all, oh yeah, we all know why.

.

I think I hear Santa comin'.
He's a-flyin' through the sky.
I think I hear Santa comin'.
Yes, he's comin' mighty nigh.

.

Here comes jolly old Santa.
I see him in the moonlight.
Here comes jolly old Santa.
I better hurry and say nighty-night.

.

I gotta run now. Hide in my bed.
Can't let Santa even see me.
I gotta run now. Hide in my bed.
Let him eat his milk and cookie.

.

I hear him in the chimney.
Santa's comin' on down.
I hear him in the chimney.
Santa's come to town!
